INTERNAL MEMORANDUM

FROM: W. R. Guggenheimer
TO: NAV-066, Black Mesa Mine,
SUBJECT: Administrative No further Action (NFA)
DATE: February 28, 2008
PAGES: One

This memorandum refers to the removal of eight underground storage tank on June 1, 1993 at the Black Mesa Mine, located near Shiprock, NM, on land of the Navajo Nation .

Based on our file review and discussions held at the San Francisco meeting on December 17, 2007 with the Navajo Nation EPA (NNEPA), this site does not appear to pose a current threat to human health and the environment. Therefore, EPA Region IX and the NNEPA are not requiring further action at this site.
